

Meet 3 Of The "Big Ten"

DON FLETCHER

A few months ago public attention was called to the loyalty of Streetsville youth to their local police force. The comment continued by pointing out that the Streetsville Police Department sponsored and coached a hockey team. Several of our police officers are active in boys' sports and the example is set by the Chief himself. Few men in Streetsville worked harder in 1968 in community sports than did Chief Don Fletcher. He took time to manage one of Streetsville's most successful hockey teams of the 1967-68 season, the Police Department "S Bantam team in the T.T. H.L. He was very active in promoting the Junior C Derby hockey team and still serves on its executive. He was one of a few people who sacrificed most of his spare time last summer helping to operate the refreshment booth at the ball park for the benefit of minor hockey. He is a real gentleman, a credit to the Police Force and to Streetsville. Hats off to Don Fletcher!

JOHN MACPHERSON

Everyone knows that it is a tough job to lead a voluntary organization of any kind successfully. But the big organization that John MacPherson leads takes a big man to keep it running so efficiently. John, a very big man physically and in every other way too, is the president of the Streetsville-Meadowdale Minor Hockey Association. Thereby he heads the group that involves more volunteer participants than any other sports organization around Streetsville. Hundreds of players, coaches, managers, sponsors, parent supporters, referees, convenors, co-operators in an organization that is the envy of many neighbouring communities. John spent countless hours at the arena in 1968 and it all comes out for the benefit of community sports in Streetsville. But big John doesn't restrict his sports interest to the winter time. You may have seen him at the ball park many evenings last summer keeping score or assisting Streetsville sports anyway he could. Hats off to John MacPherson!

For the next three weeks the Review is presenting to you the "big ten" composed of the ten men we think are most responsible for Streetsville's strong sports program in 1968. Actually we intend to name only nine and leave it up to you to complete the "big ten". Watch our selection for the next three weeks, then let us know who else we should have named.

BOB ILES

Some people are willing to do work for the community providing they get full credit. And if they don't get their due credit, they will tell you to get yourself another boy. But consider this man. He put in thousands of hours of his time in 1968 on such thankless jobs as scorekeeping, record-keeping, flooding the rink, umpiring, organizing and a host of other jobs for which he received very little credit or praise. His most prominent service in 1968 was as chief executive of the Men's Softball League or perhaps timekeeper at Derby hockey games. He serves on the Derbys' executive and coaches Streetsville's intermediate team in the Halton-Peel Hockey League. He also often serves in the refreshment booth at the arena and judging by what we have seen, there were probably other sports activities successful in 1968 because this man helped in some unseen way. Streetsville citizens are fortunate to have a man among them so willing to spend so much time on others' behalf. Hats off to Bob Iles.

MONEY FOUND

Two young girls found a sizable amount of money on Saturday, January 4, in the area of the Centre Plaza. The owner may claim same after satisfactory identification. Call 826-2402.

Meeting Jan. 15

By now you should have received a summary of the Streetsville Boundary Study in your mail.

If you are interested in your town's future, be sure to attend the public meeting on January 15 at the Streetsville Secondary School. The time is 8 p.m.

"Thank You"

A successful Bottle Drive took place last week by the 1st Streetsville Cub, Scout and Venturer Group, the members of which say "thank you" to all who contributed.

COUNCIL REMOVES ARCH FROM COUNTY SEAT

Streetsville's representation at Peel County Council will have a "new look" when the County Inaugural takes place on Tuesday, January 21.

Mayor J. J. Graham Q.C., a former Warden of Peel County, will be the Senior Member of County Council from Streetsville, and Reeve Hazel McCallion will now become the Junior Member at County Council - as a result of a by-law (passed by Council in camera) on Monday night. Only two members of Council, McCallion and Thomas, voted against the by-law when presented.

Deputy-Reeve William Arch, who was removed completely from County Council, as a result of the by-law approval, immediately tendered his resignation as Deputy Reeve.

This makes the second resignation from Council since this term of office began.

After Monday night's rather dull, regular meeting, Council went into a meeting "in camera" to discuss "personnel matters".

Tuesday morning the Review sought information on personnel changes, if any, and discovered that not only was there a MAJOR "personnel" switcheroo but that Deputy Reeve Arch had officially resigned from Council Monday night.

A by-law which read "That a by-law be adopted by this Council under Section 7 of the County of Peel Act 1965 appointing the Mayor in the place of the Reeve, and the Reeve in the place of the Deputy Reeve as Streetsville representatives on the Council of the County of Peel" caused the Deputy Reeve to resign.

A recorded vote showed McCallion and Thomas voting against the by-law with the rest of Council approving it.

Council has not officially accepted Deputy Reeve Arch's resignation. His resignation will be discussed at a special Council meeting.

In an interview with The Review Mayor Graham officially stated he is not resigning as he had threatened a few weeks ago.

When asked what he thought of the by-law, he stated that since appointment to County Council comes up every year, he felt that there would be no problems.

He said that because of the fact that the Boundary Study has been sold at the Regional level at County Council, Streetsville Council felt it should have the Mayor at the County for this year.

He expressed surprise at the reaction from Reeve McCallion and Deputy Reeve Arch. He said "I was taken back by the way they reacted. I always thought the interest of their community was ahead of their own interests."

From reliable sources it is understood that Mrs. McCallion made a performance worthy of an academy award. "I cannot approve of the manner in which this was done" was Reeve McCallion's comment on the by-law.

She told The Review that she had known a month ago that the Mayor wanted to be on County Council.

Reeve McCallion feels that the by-law was initiated underhandedly by the Mayor and was obviously pre-arranged privately since discussion of

the by-law had not come through the General Committees.

"This is probably a first in the history of this Town," the Reeve said. "It has been customary for Streetsville and Port Credit to have the Reeve and Deputy Reeve represent their particular Town."

She said she feels very disappointed; that all the bad publicity has not done the Town any good; that the Mayor is no gentleman;

that he proved he is the boss on Council; "I'm surprised he worked it very well."

Councillor Norm Thomas who opposed the by-law had these comments for The Review: "I voted as I did as a matter of principle; not as a matter of personalities. If any foresight had prevailed, this matter could have been handled with some grace when Council was reshuffled after the resignation of Don Hewson."

ARCH QUITS

Deputy Reeve William Arch has tendered his resignation from Council.

Mr. Arch resigned Monday night after passage of a by-law which changed Streetsville's representation at County Council. Now the Mayor and the Reeve, instead of the Reeve and Deputy Reeve will attend County Council on Streetsville's behalf.

Under the County of Peel Act, a Town may be represented at County Council by two of its top three officials, and Council decided Monday night that, in 1969, representation would be by the Mayor and Reeve - and the Deputy Reeve resigned.

In an (unsigned) letter to The Review this week, other than the one appearing elsewhere on this page, Mr. Arch charged the Mayor with "underhanded and undemocratic methods". He said he knew that "the Mayor covered my seat on County Council."

EDITOR'S NOTE TO MR. ARCH:

Dear Sir:
Since your letter berating the Mayor was unsigned, and since, in our humble opinion, some of the facts are "almost to the point of libel", we have a mutual problem. If you wish to sign the letter - and to take full responsibility for its publication, we will be pleased to co-operate with you -- next week.

Winners Of Rotary Draw

The Rotary Club of Streetsville congratulates the winners of the 1st annual television draw.

The 25" Admiral colour set was won by J. D. Baylis of Meadowdale, and the Portable Transistor Radios were won by the following: Harold Mason, Alf McLaughlin, D. Seebach, Karen Saker and H. Neilson.

A Letter FROM Mr Wm. Arch

In writing this letter I am doing it with reference to the article in the Review of Wednesday, December 11th-68. I do not know who the writer might be and I am not going to make a guess.

In writing and asking the following questions I feel I am quite qualified and capable having served the town for approximately 23 years just as a member of council under four Reeves or Mayors, five years as Reeve in guiding this town when it was the fastest growing municipality in Ontario. I was instrumental in getting our high school located in Streetsville, also the sewerage plant and Vista school paid for by the developer and turned over to the town. These are not only a few of the things that I have helped promote in making Streetsville a desirable place to live. I was Warden of Peel County in 1956 when it too made great strides in County administration. I do not profess that I did these things myself, but I did give good leadership so that they could become a reality and it is in the cause of leadership I would like to ask the following questions, directed to the writer under the heading of "Participatory Democracy".

1. Do you believe that participatory democracy can be carried out or even a semblance of it unless you have good progressive leadership.
2. What is your definition of gutter politics and as my name was quoted I feel I must qualify my position. When I went into the council I stated to council that I would only be in for the one term believing that what I had to offer from experience would be a help to our town, please explain why I should be interested in any kind of politics.
3. When did you or anyone else ever hear me call anyone any names or did not address the chair in a way befitting its status.
4. Do you believe that a newspaper can serve its municipality best by the distortion of facts almost to the point of libel, or is it being used to make headlines or to satisfy a personal grievance.
5. Do you know of any constructive legislation brought before council that the Reeve and Deputy Reeve did not support?
6. Do you believe that it was either a good thing or the proper thing to do in the interest of Streetsville for the Mayor to take the Reeve and myself off the committees we were serving on, with the excuse that we had too much work to do? It is Streetsville that is the looser and we are denied the privilege of serving our municipality in our rightful position for which we were elected.

7. Would you agree that Streetsville has a good council who are conscientiously trying to do a good job and that the only thing necessary for them to prove themselves would be good leadership from our Mayor. I believe he could give us that leadership if he would only remember that when serving the public there is no room for personalities.

If I could have one personal wish granted in the coming year it would be that our Mayor would give to the council that good unbiased, democratic and impersonal leadership so necessary for a good objectively progressive council that Streetsville so much needs at the present time. Wishing you all the very best for the coming year.

W. ARCH, Ratepayer.

Name change for Elder Packing

Gordon J. Edel has announced that the net food, and food and beverage business operated by Elder Packing Co. Ltd. and its associated companies has been bought by the Quaker Oats Co. Ltd.

Elder Packing Co. Ltd. manufactures a line of net foods, canned fruit drinks and fruit juices and canned fruit products.

Was resident over 50 years

A long time resident of Streetsville for over 50 years, Mary E. Russell, beloved wife of the late Elmer Russell, passed away on Tuesday, December 24 at the Joseph Brant Memorial Hospital in Burlington in her 84th year.

Interment was in Brampton cemetery. Pallbearers were all grand-

sons - Gordon Russell, Bill Russell, Don Wilson, Ralph Elderfield, Bill Elderfield and Darrell Burdon.

Surviving are two sons Norman, of Streetsville; Joe of Cooksville; a daughter Reta (Mrs. Roy Elderfield) of Burlington; seven grandchildren, and seven great grandchildren; also one brother William Fewster of Beaverton.

..... And An Answer TO Mr. Wm. Arch

In answer to your questions Mr. Arch:

1. Your first question could not possibly be answered by a "yes" or a "no". It can only be answered by saying that if there is public apathy in any type of organization or government, the leaders of such organization or government will likely do as they please. On the other hand good leadership is most certainly needed to carry out the wishes of the electorate.
2. When I mentioned your name in my editorial, sir, I only selected the three members of Council who are the most boisterous in their attacks on one another, or other people, or the subject at hand. The phrase "gutter politics" was put in quotes in the article I wrote to emphasize the phrase that has been often used by the Mayor in the last few months. I cannot with any knowledge admit that I have seen you involved in gutter politics. But I do recall that when Don Hewson was Reeve of this Town you did nothing but criticize him on his representation on County Council. Since you, sir, have stated in this letter of all your accomplishments and ability, did you in any way advise or help a novice like Mr. Hewson? Your experience would have been appreciated then, Sir!
3. I believe you are sincere when you state that you ran for council to offer your experience for Streetsville's future. But, sir, if you are honest with yourself, you will agree that "politics" has a way of getting into one's blood. And who can resist that recognition it brings, no matter how humble one is.
4. No sir, I have never heard you personally call anyone names nor address the chair improperly at Council.
5. I have never distorted facts in my writings on Council matters. And if anyone wishes to attempt to prove libel on my part, then they are quite at liberty to try.

I have no personal grievance against anyone on Council; least of all, you. If I am critical of certain members of Council or Council as a whole, why do you have to take it so personally? Have you a persecution problem? I criticize when I feel the need for it. And it usually works, because at the next Council meeting everyone is nice to each other again.

A few weeks ago at a Christmas dance I was accused by the Reeve of this municipality of being bitter towards a certain member of Council. This member also accused the Editor of the Review of changing my copy and of inventing quotes. My copy has never been altered to satisfy or abuse any member of Council. The Council coverage, or for that matter, the news in general in the Review is the most factual and straight forward coverage Streetsville has had or will ever have.

With all your complimentary self-acclaimed achievements in politics and your achievements in business, I am surprised Mr. Arch, that you are so thin skinned.

5. I have never accused you as Deputy-Reeve, or the Reeve, for not supporting constructive legislation. When did I ever do that?

6. By this question do you intend to say you did not wish to become Deputy-Reeve? And that Mrs. McCallion did not wish to become Reeve? I cannot report on the meeting of Council which selected a new Reeve, Deputy Reeve and Councillor after Don Hewson's resignation, because it was in camera. Therefore, I cannot even begin to predict whether you contested your appointment.

This question puzzles me. Do you refer to the new chairmen of the committees (Thomas and Bell) as being incompetent? Incapable of running their respective committees? Or does this in fact take some power away from you and Reeve McCallion, to distribute it among the rest of Council.

why not contest your appointment as Deputy Reeve.

I do not know whether the Mayor was wrong in removing you and Mrs. McCallion as chairmen of the General Committees, because as far as I can tell Thomas and Bell seem quite capable.

You seem to feel that without you and Mrs. McCallion Council will crumble and Streetsville lose.

There are more than a couple of competent people on Council.

7. Yes, Streetsville has a good Council. But as it happens, and is a part of life, one always seeks a higher position and this causes the best of friends to become bitter enemies.

In politics it works this way - one wants to take; the other tries to hold. As far as the Mayor is concerned, I reserve my opinion except to say that history repeats itself.

When the mayor was Reeve in 1966-67 this paper recognized his ambitions to run for mayor and that he was preparing himself accordingly.

No matter what Mayor Tolton did he was criticized by Graham - with the help of some friends.

This paper in turn criticized the then Reeve Graham for his tactics. Today, the same friends who helped him, have turned against him apparently because of politics.

Yes, personalities are involved - and are quite obvious. But it takes more than one person to have a contest on personalities. I feel as you stated, that the Mayor, in serving Streetsville, should forget about personalities - but the same thing should be said for the rest of Council - you included.

Thank you kindly for your good wishes and I sincerely wish you the same.

Announce New Healing Substance: Shrink Piles

Exclusive healing substance
proven to shrink hemorrhoids
... and repair damaged tissue.

A renowned research institute
has found a unique healing sub-
stance with the ability to
shrink hemorrhoids painlessly.
It relieves itching and discom-
fort in minutes and speeds up
healing of the injured, inflamed
tissues.

One hemorrhoidal case his-
tory after another reported
"very striking improvement."
Pain was promptly and gently
relieved - actual reduction
or retraction (shrink) took
place.

Among these case histories
were a variety of hemorrhoidal
conditions. Relief even occur-
red in cases of long standing,
and most important of all, re-
sults were so thorough that
this improvement was main-
tained over a period of many
months.

This was accomplished with
a new healing substance (Bio-
Dyne) which quickly helps heal
injured cells and stimulates
growth of new tissue. Bio-Dyne
is offered in ointment and sup-
pository form called Preparation
H.

In addition to actually
shrinking hemorrhoids, Prepara-
tion H lubricates and makes
elimination less painful. It
helps prevent infection which
is a principal cause of hemor-
roids.

Just ask your druggist for
Preparation H Suppositories or
Preparation H Ointment (with
a special applicator).

Satisfaction or your money
refunded.

MISSISSAUGA RATTLERS HOLD ANNUAL TOURNAMENT

The Mississauga Rattlers Table Tennis Club held the first of their two annual singles tournaments at their Erindale clubroom on Friday night. The final of the 'A' event was a repeat of last year's

final with Maurice Dee of Etobicoke success-
fully defending his title
against Tony Holmes
of Brampton. Tony had
previously reversed the
result of last season's
Spring Tournament Fin-
al by narrowly defeating

John Scholl of Etobicoke
in a semi-final match.
The other semi-finalist
was Denis Rosendale of
Brampton.

The 'B' final featured
two new members of the
club, Ron Chapman of
New Toronto and Fred

Sibley of Clarkson. Ron
came out on top after
two hard fought games.

The doubles events are
to be played on January
31.

This week the club's
seven teams renew their
activities in the Toronto

and District League.
Players interested in
joining the club should
visit the Springbank
Community Centre at
Highway 5 and Miss-
sauga Road any Friday
evening.

At the regular annual meeting of the Ville Riders on Saturday, January 4, in Trinity Church, Streetsville, many trophies were presented. Guest speakers helped to keep the large audience interested in the sport of motorcycle racing, with movies being shown as well. Photo by AL BETTS

Tri-County hockey roundup

THUNDERBIRDS WIN TWO TIE ONE

When any team remains undefeated after three games and comes up with 5 out of a possible 6 points - WOW! That was the story as the Streetsville Thunderbirds moved up five points in the Novice standings. The T-Birds now have 15 points made up of 7 victories, 1 tie and 7 losses. This was also a week that saw IGA Peewees gain their third victory of the current campaign.

On Saturday, December 28 the Novice Thunderbirds played against the first place Chinguacousy team earned a 1-1 tie. This game featured some pinpoint passing and excellent goalkeeping at both ends of the arena. These two clubs scored a goal apiece which were dis-

allowed. The Thunderbirds who earlier in the season had difficulty in winning on home ice continue to improve as the season progresses. Michael Prestidge who has had difficulty in getting untracked all season, wheeled and dealt with authority. Mike skated miles showing some fine back checking and carrying of the puck that earned him the praise of the fans. Mike combined with Paul Cooper for his score. Paul also scored the disputed goal. Ricky Russell was most impressive as he turned aside a number of good scoring opportunities. Len Bryant led the body checking while Jeff Very voted most valuable player for the T-Birds, carried the puck like Bobby Orr. The Thunderbirds look

like a sure fired threat in the playoffs.

In Acton Friday evening the Thunderbirds dumped the home team 4-1. Len Bryant, one of the sparkling defencemen, went to work from his point position. Trailing 1-0 Paul Cooper dropped a pass back to Len who fired a bullet on the net. Rob Flack worked the puck loose for the score. Len then proceeded to put a pass on Robbie's stick and made no mistake with his game winning shot. The clinching goal was a fine three way effort that saw Randy Johnston pass to Scott Snarr who in turn hit Marc Sinclair in perfect stride. Marc made no mistake as he walked in from the blueline and deked the goalkeeper for the tally. Rugged Scott Snarr completed the scoring popping in Robbie Flack's rebound. It was Robbie's fine three point performance that earned him the MVP. Saturday saw the Thunderbirds defeat Preston Novice by the score of 8-1 for their second consecutive win in two nights. The line of Scott Snarr, David Thomson and Marc Sinclair accounted for ten scoring points as Scott got the MVP award, three goals and an assist. Left-winger Dave Thomson collected a pair of goals while Marc Sinclair picked up 4 assists. The other Streetsville counters were scored by Paul Cooper, Mike Prestidge and Robbie Flack. Ricky Russell and Ross Elsele shared in the goalkeeping.

Glassford earned the MVP award you know that he has had a very busy evening of work. This game was no exception but the great difference was that he got a lot of support from a vastly improved defence and two-way forwards. Wayne Bond scored at the six minute mark of the second period on a pass from Ken Leedham. Ken is one of the main reasons why the defence is playing so well. Captain Danny Crawford and Rod Crawford have been steady performers each game and now with Ken Leedham in high gear things are beginning to pop. Dave Very combined with Captain Danny Crawford for his 1st score and then the same Crawford scored to make it 3-0 with help from Mr. Very and Mr. Greg Perla. Chris Gruenwald ended the scoring with assists going to Wayne Bond and Paul Vella. A well deserved win for Streetsville's own IGA club.

Hutt Fence 0 - Chinguacousy 5
The Hutt Fence Bantams lost 5-0 against Chinguacousy but in an exhibition game December 30 the Hutt Fence boys won 3-1. Wes Robinson who has to be one of the hardest working coaches in the OMHA has chosen John Brewer a former Junior A player from the East coast, to work as his assistant. In the exhibition game one had to be impressed with the talents of Dave Rollings. Dave has one of the best shots in the league and if anyone is destined for stardom it has to be this lad. With the fine coaches that the Hutt Fence Club has they are going to be a real surprise in the playoffs.

Honourable mention in this game should also go to Shawn O'Connor. Shawn has been overlooked all year but he is a very fine skater and a tenacious player. It was his work on the forward line that resulted in the first score by Robert Chadala. Most of the boys on this Hutt Fence are former house leaguers and their improvement as the year has elapsed is indicative of their interest and a credit to the coaching of Wes Robinson. Keep up the good work, boys.

Hutt Fence 0 - Preston 2
In one of the best played games by the Hutt Fence Bantams Preston bettered the home team by the score of 2-0. Preston scored a goal in each of the first two periods but not before the Hutt Fence team had shown how rugged they could be. Dave Rollings and Kevin Zardo turned in good performances before an enthusiastic gathering of home town fans. In losing, Hutt Fence proved that with their continued desire victories will soon be well on their way.

In Milton last Monday, Maple Lodge team bowed 7-1 while the Juvenile Derbys were shut out 2-0. What a ring-a-ding battle Milton and Streetsville are going to have in the Juvenile playoffs! Previously the Derbys had beaten the Milton club 1-0. These fine Derbys will be in action each Monday night at 8:30 p.m. and don't forget that OMHA ALL-STAR night because they will be there. With a little bit of luck and Derbys should finish in the top half of the standings.

Girl of the Week

For this second week of 1969 The Review has selected Jane Wray of Flagship Drive in Applewood Heights as "Girl of the Week". When Jane completes Grade 13 at Applewood Heights Secondary School this year she plans to take a course in Fashion Designing at Ryerson. She makes most of her own clothes and her hobbies are painting, sailing and skiing. She likes listening to stereo - especially the Rock Pile! And her favourite expression? -- "boofered". When the Professional Engineers' Association of Ontario recently chose their new officers for 1969, B. H. Goodings, P. Eng. of Streetsville, a member of the Executive Staff of the Association, was returned as Director of Special Services.

New Volunteer Service At South Peel Hospital

JANUARY 9 MEETING FOR NEW AUXILIARY SERVICE

The Changing Role of the Volunteer, recently under study at the Ontario Hospital Auxiliaries' Association Convention in Toronto, will be exemplified with the opening of a new volunteer service at the South Peel Hospital (the first of its kind) when semi-technical skills will be utilized.

Early in the new year, Pre-operational Volunteer Service, under the direction of Miss Reta M. Brown, Director of Nursing for South Peel Hospital, will provide a daily service - Monday to Friday, 9 a.m. to 1 p.m. by a team of two. A graduate nurse on voluntary service and a specially trained volunteer will be in constant attendance on the patient before he or she enters surgery. The nurse will administer professional service when necessary, while the regular volunteer will try to make the patient as comfortable as possible.

Modern hospitals are acutely short staffed, and this service will ensure the patient continual care at a time when it is of prime necessity, whether it be of a professional nature or the comfort and understanding of a human being.

This new concept of volunteer service, diversified and broadened, can help every member realize her own special

potential, and will provide an opportunity for the volunteer to contribute to the hospital's total health care programme in an important way. A special meeting outlining the new service will be held on Thursday, January 9 - 2 p.m. in the Auxiliary room at the hospital. Telephone the office of the Nursing Director for details.

Offer Space for a Post Office

The McLaughlin Group, developers of the proposed shopping centre at Burnhamthorpe and Highway #10, have offered to provide space in their project for a post office.
In a letter to the Hon. Arthur Laing, Minister of Public Works, the development firm's Managing Director S. B. McLaughlin said:
"Our Company is prepared to construct a new general purpose office building at a location near the intersection of #10 Highway and Burnhamthorpe Road and will lease space on a temporary basis to the Department of Public Works or the Postal Department in accordance with their requirements at a rate of \$5 per square foot gross rental including heat, light and janitor service."
"At a suitable time in the near future it is contemplated that the Postal Department will complete a comprehensive study which will enable it to make site and building commitments better suited to their requirements after 1970. When such new facilities are arranged, it is understood that the above-mentioned short term lease would be terminated."
"Such premises would be ready for occupation eight months after your instructions to proceed."

SETTING NEW RECORDS
New records for power generation are being set this month at Ontario Hydro's Lakeview Generating Station, the Commission's largest single power producing plant at present.
This power output from Lakeview G.S. is as much electrical energy as the Ontario Hydro power demand on its entire system in 1947.

Station Superintendent J. A. Savory, P. Eng., said that a new peak for electric power output from the plant has been reached. All eight generating units have been operating since December 16. The station has come close to its full potential with a maximum output so far of 2,310,000 kilowatts with 2,200,000 kilowatts being delivered to the system.
Lakeview G.S. is the largest coal-fired thermal electric power plant in Canada and one of the largest in the world. It has eight 300,000 kilowatt turbo-generating units. Construction of the plant started in 1959 and the last three units were commissioned this year. Its full potential is 2,400,000 kilowatts.

"Get Acquainted Tea"

The members of the Cooksville Branch of the Canadian Cancer Society enjoyed a "get acquainted" tea at the home of Mrs. Andrew Carlyle, Branch President, recently. The Branch executive, drivers and members of the sewing group welcomed this opportunity to make new friends and to get to know other workers for the Society over a cup of tea and a slice of Christmas cake. They found this informal social event a most pleasant way of promoting fellowship among the members of the Branch.

Art For Children

The Mississauga Recreation and Parks Department is again offering Art for Children at Huron Park Recreation Centre. The Centre will be having two types of Art Courses.
A 10-week Ceramic class for children to be offered Fridays after school or Saturday mornings let the children put their imagination into a piece of clay. For the young painter, the Creative Art course on Saturday afternoons lets them put their imagination on paper using charcoal, water colour, oils, and plaster of paris.
So many parents never realize the artistic talents of their children until they have some instruction.

Unique Photography Course at Sheridan

Sheridan College photography students are chanting the old "one potato, two-potato three-potato, four", rhyme these days preparing an assignment for a course that just has to be pretty unique by any standard.

No wonder they're chanting. They are participating in something that the two unique teachers behind the course insist has not ever been offered in Canada or the U.S.A., may never be offered in exactly the same form again, and has no exact counterpart anywhere in the world. Full of "corn" for photography courses that turn out "technicians" in a field that can and should demand high artistry, Doug Bolt and Guenter Karkutt insist they developed the photography course to fill a deplorable vacuum.

Any course in photography they give must progress through the elements of design (lines, planes, textures, design sense, sculptured effects, pattern, color) to figure drawing (anatomy, lighting, texture) and graphics (industrial and commercial uses of photography: architecture, interior decoration, wall coverings, textiles, etc.)

Their end product will be an all-round "visual" person who can see and feel and appreciate the world around them.

"The mechanics of photography can be taught in three weeks", scoffed Doug Bolt. We teach visual things first and the mechanics follow naturally.

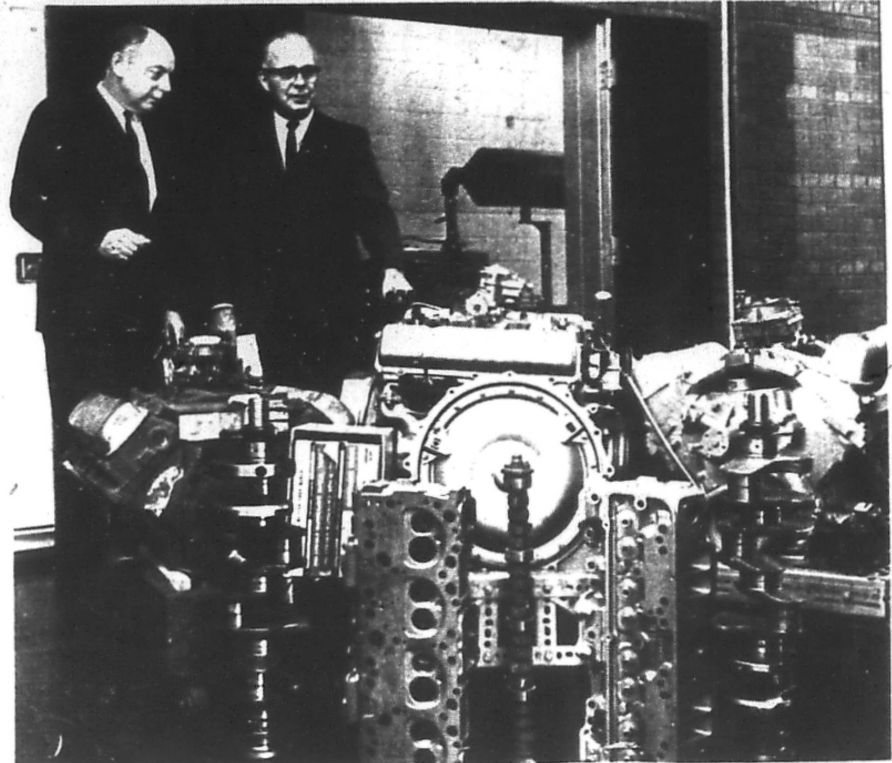

The two instructors expect no more than 3 or 4 of their 40 students to be professional photographers, per se. The others they predict will be in copywriting, art illustration, visual and commercial art fields. "They may even be 'creative cooks'", laughed Mr. Bolt.

Which brings us back to the potatoes.

The potato project is designed to teach students to produce photographs of what they know, not just what they see, or what they've done, says colleague Guenter Karkutt.

For starters, students have been asked to think about potatoes in terms of games, recipes, slogans, food-handling, painting, fashion and interior design, processing, consumption, different forms, alcoholic drinks, plus any of their own ideas they can supply.

They will then create and photograph their own interpretation of

Presented To Sheridan College

Three automotive engines and additional parts that have been used for product development in the Engine Fuels and Lubricants Laboratory at the B-A Research and Development Centre, Sheridan Park, are presented to the Sheridan College of Applied Arts and Technology, Brampton. The equipment which recently became ob-

solete for industrial research, will be used in school lab experiments to acquaint students with basic engine characteristics. It was received by the College's Chairman of Technology, R. Conning, left, from R. M. Donald, now manager of the B-A Research Centre.

the lowly spud. The exercise, say the instructors, will force the students to stretch their minds and use their imagination to the full.

Other exercises in the course stimulate the student's capacity to be aware of what's going on around him. They must each observe a fellow student. After two months each student will be required to design a photograph on his subject peer, highlighting what he feels is typical of that person's behaviour.

The improvement in students' powers of observation is already pretty dramatic. So is their budding photographic skill. Students are already turning in exhibition-calibre photography, say the two men.

The photography course at Sheridan plans to mount an ex-

hibition of students' work in the spring, and if possible, to have it tour the province.

They expect the exhibition to have "great impact" on the photographic and visual art world. For a course that already has attracted notice from professional photographers like Lorraine Munk, stills director for the National Film Board (she encouraged her daughter to enrol at Sheridan in preference to British and U.S. Schools) and the Royal Ontario Museum, the Art Gallery, and the federal government, it scarcely seems an idle boast. Meanwhile, the twin innovators, Bolt and

BY-LAW NUMBER

A By-law to stop up part of an unnamed road allowance between Lots 'A' and 'I', Concession 1, North of Dundas Street.

THE COUNCIL of the Corporation of the Town of Mississauga pursuant to Clause C and D of Subsection 1 of Section 459 of The Municipal Act, R.S.O., 1960, Chapter 249, ENACTS as follows:

1. That the highways and parts of highways described in Schedule 'A' attached hereto and forming part of this by-law are hereby stopped up.
2. That the soil and freehold of the above stopped up highways and parts of highways be offered for sale to the owners of the lands abutting for a sum and subject to conditions to be fixed by Council.

SCHEDULE A

DESCRIPTION OF PART OF THE ALLOWANCE FOR ROAD BETWEEN LOTS "A" AND "I", CONCESSION 1, NORTH OF DUNDAS STREET TO BE CLOSED AND SOLD TO THE ADJACENT OWNER.

ALL AND SINGULAR that certain parcel or tract of land and premises situate, lying and being in the Town of Mississauga (formerly the Township of Toronto), County of Peel and Province of Ontario and being composed of part of the allowance for road between Lots "A" and "I", Concession 1, North of Dundas Street in the said Town and which said parcel may be more particularly described as follows:

COMMENCING at the most northerly angle of Lot 1, Concession 1, North of Dundas Street; THENCE southeasterly along the northeasterly limit of the said Lot 1 to its intersection with the centreline of the Etobicoke Creek being the division line between the Borough of Etobicoke and the said Town of Mississauga.

THENCE northeasterly upstream along the said centreline of the Etobicoke Creek and being along a limit of the allowance for road between Lots "G" and "H" in the Borough of Etobicoke, in a Range with Concession 1, North of Dundas Street in the Township of Toronto, as closed by Etobicoke By-law Number 13145 registered as Instrument Number B-90755 (York), to where the same is intersected by the southwesterly limit of the said Lot "A", Concession 1, North of Dundas Street;

THENCE northwesterly along the said southwesterly limit of Lot "A" to the most westerly angle of the said Lot "A";

THENCE southwesterly along the southeasterly limit of the allowance for road between Concessions 1 and 2, North of Dundas Street (Burnhamthorpe Road East) 66 feet more or less to the point of commencement.

The above by-law will be considered by Council at a regular meeting held not sooner than one month after the first publication of this notice and the Council shall hear any person or by his Counsel, Solicitor, or Agent any person who claims that his land will be prejudicially affected by this by-law and who applies to be heard.

Martin Community School Adult Programs

Adult activities recommence this month at the Allan A. Martin community school on Ogden Avenue, after a short break over the Christmas holiday.

The Swingin' Square dancers resumed weekly programs on January 3, TOPS clubs on Tuesday and Adult Badminton and Scottish Dancing on Thursdays reopening on the 7th and 9th respectively. Newcomers wishing to inquire about these activities are invited to contact the community school office.

Other activities commence on their respective days, the week of January 20, with final registration set for Thursday, January 16 at 8 p.m. The new program series will include oil painting, "public speaking", plastics handicraft, flower arranging, rug hooking, ceramics, sewing, silk screening, woodshop, knitting, aluminum etching and copper tooling. Anyone interested in any of these activities may secure additional information by calling the community school at 274-3619.

SOME PREDICTIONS FOR 1969

1968 was a pretty good year, but ... it started at a very slow pace and then towards the end it picked up rapidly and gave us an insight of things to happen in 1969. Herewith, as a XXXX based on past performance of the Town are the shapes of things to come. These are the writer's personal predictions:

- That a record number of voters will vote the Regional election - about 65%.
- That Bill Davis, who Mississauga first elected to provincial politics will become a strong contender for Premier of Ontario and he will win in 1971.
- That the Liberal candidate from Peel South in the next Provincial election will be an unknown (at this writing anyway).

4th APPLEWOOD GUIDES RECEIVE AWARDS

On Tuesday, December 17, three Applewood Guides were honoured and presented with awards by Commissioner Mrs. S. Franklin.

Miss Laurel Lukeman was awarded her 1st Class Badge.

Two other awards were made to Miss Christine Kmiecik and to Miss Sheila Cleary in the form of All Round Cords.

The All Round Cord is presented to a 1st Class Guide who has to pass many tests and has to acquire many badges ranging from Half Emblems, First Aid, Pioneering, Citizenship, etc.

Miss Kmiecik and Miss Cleary's awards bring the total of All Round

Cords in the 4th Applewood Company to 3, won in the last year. Miss Pamela Benson was the first guide to earn this honour a year

Displaying their badges proudly are Sheila Cleary and Christine Kmiecik who were recently awarded their All Round Cords.

An Editorial Why find work for the physically disabled?

The Rehabilitation Foundation for the Disabled (March of Dimes) is again launching an appeal for funds during the month of January in all parts of Ontario except in 28 municipalities where it is a member of the United Appeal. The Foundation is committed to helping physically disabled adults to join or to rejoin the community as useful, self-esteeming members of society. It does this primarily by finding suitable work for disabled people by means of psychological assessment and workshops, after which attempts are made to find them jobs in industry or offices. If they are unable to take competitive work, efforts are made to find work they can do at home.

Why is Society in general and the Rehabilitation Foundation in particular so concerned about putting disabled people to work? If a person has to spend his life in a wheelchair, would he not be happier watching television all day long than trying to compete with the able-bodied? The answer is obviously no.

There is of course a financial reason why disabled people want to earn money in addition to any pension or disability allotment they might be getting. But is that the only reason? Again, the answer is no.

"If you're not working, you're not living", is the way Miss Darlene Draper puts it. Darlene is in her twenties. She has had arthritis since she was a baby and gets about on metal hips with the help of crutches, but she puts in a good nine-to-five day in an office job provided for her by the Foundation. "If you had to stay home all day," she says, "you'd soon be bored to death. It's much more fun to be able to work."

What Darlene is saying is that she wants to feel she is a "going" member of society -- productive, mingling with people, good enough to be paid for her work.

"If you're not working, you're not living," she says. It's hard to express it any better than that.

COOKSVILLE SENIORS END SUCCESSFUL YEAR

About 75 members of the Cooksville Senior Citizens attended the last meeting of the year held in the Orange Hall Tuesday evening, December 17 when they were entertained by the executive. Mrs. Lucy Turnbull, President,

asked the members to stand and repeat The Lord's Prayer in memory of Mrs. Frankish who passed away suddenly in November and also to express sympathy to Mr. Frankish who is still in hospital. After the roll call, the meeting adjourned and the fun started. While a big circle was formed two wrapped parcels were passed around to the accompaniment of music played by Mrs. Joyce Rayner. When the music stopped the one holding the parcel had to tear off one of the several wrappings. Eventually they came to their final owners who were Mrs. Isabel Donahue and Mr. Morrison. This was followed by musical chairs which always causes lots of laughter. Mrs. Lillian Dickson was the lucky winner. Following this a numerical contest was held with Mrs. Mary Hess calling the numbers and the group writing down the answers. Mr. Jack Dickson got 17 out of 24 right and was the lucky winner. Mr. and Mrs. Anderson who sat at opposite sides of the Hall were the next lucky winners. During the evening a guessing contest proved

difficult to many as photos of earlier years were presented amid exclamations of "Oh, how we have changed." However Mrs. Hazel Belford recognized the greatest number of photos with Miss Violet Copeland and Mrs. A. Frost following. By this time everyone was ready for the Grand

March during which spot prizes were given. The lucky winners were Mrs. Margaret Becking, Mrs. Mellard and Mr. and Mrs. Bird. Refreshments were served by the executive and Mrs. Trickrey the oldest lady in the club was asked to cut the lovely cake (which was supplied by Mrs. Lucy

How can you save on car insurance?

START RIGHT HERE!

Put your teenager behind the wheel and car insurance costs go up. However, appreciable savings are available from Economical for the under-25 driver who has completed an accredited driving course. Driver education schools develop safe driving habits and good road skills. Graduates become better insurance risks.

If a young driver is about to be introduced to the family car, ask your Economical Agent about Driver Education Courses in your community. He has the experience and training to help keep your car insurance costs to a minimum.

STREETSVILLE ATHLETE
OF THE WEEK

SANDY McLACHLAN

Sandy McLachlan has been playing Junior hockey since he was 12 and this year, his third, he has developed into one of the top defensemen in the Suburban Junior C Hockey League. His skill in getting the puck out of his own end of the rink has been a big asset to the Derbys' offense too. In the home win last week he helped engineer four of the Derbys' first five goals. This made it twice this season Sandy has collected four assists in a single game and his assist total for the year puts him up near the top of all Derby point getters.

Last summer Sandy defied the experts who maintain you can't play both softball and baseball in the same season and bat well at both sports. He played third base for North End in the Men's Softball League while playing the same position on alternate nights for Streetsville's Juvenile Baseball team. He not only fielded creditably in both leagues but was also one of the best batters on both teams.

Sandy attends Streetsville High School where he is in Grade 12 of the Arts and Science Branch.

JUNIOR 'C' DERBYS

Our luck has changed! Well, for one game anyway. The Derbys, beset by bad fortunes most of the winter knew it couldn't be all bad. So things finally broke their way. True, in the very next game, their familiar black cloud came back, but the sunshine was wonderful whitt last.

In beating Bowmanville at Streetsville arena last week our Junior team no less than three times in the last period counted deflected shots drift harmlessly past the good side of the goal post. Usually these deflections have had a nasty habit of ending up in the Derby goal.

The Derbys had leads of 3-0, 4-1 and 5-4 at various stages of the game but with two minutes to go and the score tied 5-all, four Streetsville players put on a pretty display of teamwork that culminated in the winning goal. The play went Tiverton to Naismith to Wyllie to Bill Perks who made no mistake with his second goal of the game. The Bowmanville team pulled their goalie and John Irwin made it 7-5 with half a minute to go.

John Wyllie made an impressive debut, scoring the first goal of the game, picking up two assists and playing a heads-up game all the way. Glen MacPherson up from the juveniles also played well and scored a goal. Other goals were scored by dependable Ron Schott and by Randy Johnston. Sandy McLachlan assisted four of Derbys' goals.

The Derbys wish they could find more teams like Bowmanville in the league. Although they trail the Whiz Kids by nine points in the standings they picked up 6 of a possible 8 points in their four meetings. That's just half of the Derbys' total to date.

On Sunday the Derbys travelled to Ajax, where their frustration team did it to them again - beat them by a goal. To add insult to injury, in each game the Derbys have put the puck into the net in the closing minutes of the game - only to have the score nullified on each occasion. Perks scored twice, Schott, Wyllie, Johnston and John Rayner once each in the 7-6 loss. Derbys go to Newmarket on Sunday then hope to even matters up against Ajax here next Tuesday. Game time 8:00 o'clock.

STREETSVILLE-MEADOWVALE HOCKEY LEAGUE

Two more names were added to the hat trick club last week as Peter Lockwood and Michael Goheen joined up. Another player, Doug Payne, scored his second hat trick but the biggest point-collector of the week was John Knibbe who set up no less than five goals.

BANTAM

John Knibbe's five assists and Michael Goheen's three goals were part of the biggest scoring outbreak in the bantam division all winter. Before it was over every player Coach Nick Elsie had dressed got at least one point except goalie George Laurencic. Others sharing the spoils in Rotary Club's 8-1 win were Gary Gillis, one goal and two assists, Jamie Rowe, Rod Elsie, Harry Knibbe and Mark Gahan - one goal each, and assists by Mike Roy (2), Ross Pengilly and Brian MacInnis. For the losing Canada Brick Truckers Mike MacAllister scored from Keith Flood.

Canadian Legion remained one of only two unbeaten teams left as they beat Pemrow Pipe Lines 3-1 on goals by Robbie Reid, Ron Osbourne and Robert Moore. Allan Araujo scored the losers' goal on a pass from Tom Phillips.

Long's Service Centre doubled the score on Robinson's Pharmacy 6-3 as three players Larry Ferguson, Bob Smith and Gary Robinson scored two each. Don Hamley was best for the losers with two goals and an assist. Stan Feenstra scored the other.

NOVICE

The only two shutouts were registered last week and both were in the Novice division. Brad Kack of Kerr Flooring got his first shutout of the year as Bob McLaughlin scored the only goal of the game to beat Lions Club 1-0.

Howard Martin scored his second shutout when Reid Milling won 4-0. The team handled by Zig Chadala and Bob Solmond is the only other unbeaten team in Streetsville. David Chadala (2), Gary Walker and Jim Zardo got the goals in their win over Canadian Tire.

Canada Brick beat Dominion Sash 4-1 on Doug Payne's hat trick. Doug also assisted on Peter Boonstra's goal while Rick Very drew two assists. Chris Wright scored the losers' only goal.

PEEWEE

Pete Lockwood added an assist to his hat trick to help Maple Lodge Farms win 6-2. Peter Reid had a goal and an assist and Karl Lechler two assists. The winners' other goals were scored by Robert Preston and Bob Oatr. Losing Hoy's Cafe goals were by Edgar Williams from Darryl Bond and by Ed Machin from Mike Robinson.

Tony Paxacchi led Kinsmen Club to their first win of the year by scoring the first goal then setting up the others scored by Jim Gray and Don Baker. Rick Culshaw and Brad Wilson also drew assists in the 3-2 win. Mike Cormier and Steve Douglas scored for Consumers with assists to Ted Lyons and Dan Arsenault.

John Halliday's two unassisted goals led Kiwanis to a 3-2 win over Atkinson Insurance. Dan Harris scored both of the losers' goals, one assisted by Pete Beckett, while Glen Mullally from Gord Bonham got Kiwanis' other goal.

The Springfield Electric Peeewe Allstars split a home-and-home series with Oakville. In their home 4-2 win Glen Mullally scored 3 and in their 5-3 loss at Oakville Glen got two more. Dave Baldwin and Mike Robinson scored the other two goals while in the two contests assists went to Edgar Williams (3), Keith Norries (3), Mike Robinson (2) Tony Paxacchi (2) and Raymond Bryant.

PAPERWEIGHT

Both the Paperweight games ended in close 2-1 scores.

Tim Glencross scored the first goal and then assisted on the winner scored by Gary MacRae as Streetsville Pharmacy edged Moore Electric 2-1. Mike Kalapaca and Ian Hunter also got assists for the winners while George Araujo scored Moore's only tally unassisted.

Larry Metcalf scored both Streetsville Flyers' goals with assistance from Ian Bedford and Brian McLaughlin. They beat Elder Packing whose goal was by Mark Mullally from Robert Humphreys.

CURE FOR AFTER-HOLIDAY BLUES

Erindale - Are you aware that a group of people interested in providing you with opportunities for recreation meets monthly at Springbank Community Centre?

The Erindale Recreation Association meets the third Monday of each month at 8:00 p.m. to discuss plans for leisure time activities in this area.

You are invited to attend any of the meetings (the next one is January 20) to share your ideas with the association.

The association offers the following activities for the winter season: Junior Badminton; Ladies Keep Fit; Dollars and Sense; Furniture Re-upholstery; Cake Decorating; Oil Painting; Children's Creative Art; Group Guitar Instruction; Tap, Ballet and Pre-School Rhythms; Baton Twirling; Self Improvement for Women; Adult Badminton.

Junior Badminton is a new activity in the area with well-qualified instructors. Mr. Don Rogerson, who supervises this, has been active in youth programmes for 22 years having instructed Junior Badminton at Guelph before moving to the area and has been successfully conducting a programme in the Dixie-Burnhamthorpe area for two years. This group accommodates young people 7 to 14 years of age.

The Dollars and Sense programme is of particular interest to housewives. Mrs. Norma Carrier of the Consumers' Association of Canada instructs this course on how to S-T-R-E-T-C-H that dollar. Mrs. Carrier discusses everything from supermarkets and furniture to drugs, rugs and clothing.

The following clubs are active in the area: Radio; Table Tennis; Mississauga Artists'

Workshop; Chess; Model Airplane. If you would like information about any of these clubs call 279-7600, Ext. 231.

The Mississauga Art-

ists' Workshop exhibits some of the work of these artists in the Springbank Community Centre and hopes to also have some on display at Huron Park.

Gymnastics for children

An experimental programme of basic gymnastics for boys and girls of the Town of Mississauga has been progressing famously under the direction of Mrs. Karen Pipes, Mrs. R. Van Wissen, John Sturgeon, and Jim Ren-ton. The children have had a lot of fun and adventure working out on the ropes, uneven and even parallel bars, beam, horse, and with floor exercise tumbling.

The Recreation and Parks Department will be offering a second term in January for the participants to continue progressing and to provide an opportunity for

new members to join. The programme will be expanded to include Westwood Secondary School so that the future gymnasts in the Malton area can take part in this new exciting programme which will act as the training ground for the Mississauga Competitive Gym Club and give the children with a special interest in gymnastics a chance to develop in this line.

The programme is offered for boys at Applewood Heights Secondary School on Saturday mornings 9:00 - 10:00 a.m. and at Lorne Park Secondary School on Wednesdays from 7:00-8:00 p.m.

Their instructor, Larry Middlestadt, is well qualified and this club would be of particular interest to the advanced painter. Interested people could contact the

President, Mrs. Irvine at 822-8369. Registration night for all the activities is January 13, at 7:30 p.m. at Springbank Community Centre.

promising girl gymnasts will be invited to join a more advanced class on Tuesday evenings 6:30 - 8:00 p.m. at T. L. Kennedy. For further information please phone - 279-7600, Ext. 281.
